

# PROFILE™ BOATS

# 585H

The smallest of the Hardtop family, the Profile 585H is very capable of an exciting day offshore, offering protection from both adverse weather and the sun. You and your crew will be comfortable and your electronics and gear stay dry. Strong safety glass windows offer good vision and the deck area is protected should you anchor up in a cool breeze. Start fishing with the big boys and enjoy the comfort and protection this stable hardtop has to offer.
