

PROFILE™ BOATS

600H

The Profile 600H is a real surprise package and suitable for a large range of boating activity. The ride and room is more than you would expect from a 6 mtr hardtop and the stability is impressive. For the serious fisho who want to remain versatile with their launching locations, the Profile 600H is a manageable size with great performance. The protective hardtop cabin ensures a comfortable day out for you and your crew.
