

PROFILE™ 750HW BOATS

The Profile 750HW is for the person who wants it all. A smart looking boat with style and comfort that is blended with a seriously capable offshore rig. A very spacious hardcore deck area flows into the protection of the fully upholstered hardtop and cabin offering the best of both worlds. The softness and rigidity of the ride will impress the most experienced boatie as will the "feel" and handling when at the controls. A terrific all rounder when you are serious about your sport, the Profile 750HW can do it all.
